

25 – 26 October 2023 | Melbourne Convention & Exhibition Centre

Waste Expo Australia provides a platform dedicated to advancing best practices in waste management and making a positive difference to the environment and community. This free-to-attend event is the largest gathering of waste management and resource recovery professionals in the country to learn how we can transform the way we use materials, ensure effective recovery and reduce waste sent to landfills.

Local Government

Commercial & Industrial

Circular Economy + Waste Innovation

Waste to Energy, Energy from Waste

## Other Event Features

### VWMA Breakfast

Join the Victorian Waste Management Association on the 25th of October for an industry breakfast. Hear from a distinguished panel of experts from the EPA, Recycling Victoria, Sustainability Victoria, and the Department of Energy, Environment and Climate action. Registration for the breakfast at [vwma.com.au](http://vwma.com.au) will also give you access to Waste Expo Australia.

### Networking event

End the first day of Waste Expo Australia at the Networking function. Enjoy refreshments while catching up with colleagues past, present, and new. This networking event is free for Waste Expo Australia visitors, speakers, and exhibitors.

### Waste Innovation and Recycling Awards

Held in partnership with and during Waste Expo Australia, the Awards facilitate a higher level of network integration and development opportunities for those who are active in Australia's waste and resource recovery industry, as well as acknowledging and celebrating outstanding achievements within this sector. Book your tickets to the gala dinner through [wasteexpoaustralia.com.au](http://wasteexpoaustralia.com.au).
